TRANSPARENT CLASSROOM

Simple, meaningful record keeping for Montessori Classrooms

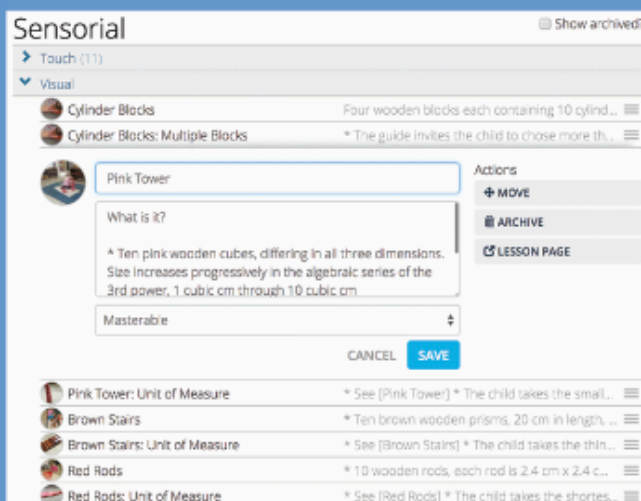

Reasonable parent communication.

- **YOU** control what parents see
- parents only see their child's info
- easy to share photos parents love
- one place for conference reports, calendar, newsletter, directory, etc.

Lessons included and customizable.

- comes with AMI lessons: elementary, primary, toddler, infant
- update/add/remove lessons
- lessons already mapped to CCSS

Simplify School Management.

- attendance app for iPad/tablet
- track naps, meals, diapering, etc.
- manage forms for enrollment, health, permission slips, etc.
- applications become pain-free
